The story of the leafFig leaf, covering nudity since the very beginning of history, has been selected as the emblem ofBlackspade products.The history of the fig leaf is based on the need of Adam and Eve to cover their nudities, after havingtasted the forbidden fruit in the Garden of Eden. As being inspired by this very first underwear, we offerexceptional comfort at every moment of your life.The fabrics used today in Blackspade products are just as natural, but far more pleasant to wear.Blackspade was born in the Aegean Area, an earthly paradise where fig symbolizes plenitude andcotton symbolizes the source of naturalness, where both are harmonized by the same breezes.Our designs, essentially focused on perfect fit, comfort and health are suitable for different climaticconditions and lifestyles, distinguish themselves at a single glance by the special fig leaf emblem.Hoping that your choice will make you happy...
